Volunteers also contributed 390 hours of work towards our public outreach efforts. We had information tables set up at the Roseburg Outdoor Show, Florence Home and Garden Show, Heceta Lightkeeper's House tours, and the Power of Florence event. We even had a float in the Rhodi Days parade! Our volunteers gave presentations to the Florence Rotary Club, Siuslaw Library, Florence Rotary Club, and at the Cape Perpetua Visitors Center. Volunteers also were instrumental in delivering our brochures to numerous locations throughout our region, and giving information on local radio shows or being interviewed for newspaper articles. We could not accomplish as much as we have without the support of our hard-working volunteers!
